

The dignity of each individual is maintained by accepting donations and in turn, offering shoppers items of quality and in working order. Thank you and God Bless.

Edward Koerner, Executive Director

- Musical Instruments

### SPORTING GOODS

## Recyclable Clothing and Shoes

St. Vincent goes green! **Torn or stained clothing, discarded fabric as well as worn-out or broken purses and leather belts can be remade into everything from rags and fertilizer to chemical spill absorbent. Must be dry with no odors. No paint or oil rags**

St. Vincent de Paul now accepts your unusable clothing. You may separate these donations (gently-used or to-be-recycled) or let us do the sorting. Either way, recyclable donations generate revenue for the Society and keep your discards from going to the landfill!

Drop off your recycled items today!

## We have learned through experience that we cannot accept the following items.

Large Appliances: stoves, refrigerators, freezers, dishwashers, washers, dryers, trash compactors & air-conditioners.
