# Volunteer's Code of Conduct

At St. Vincent de Paul, we are accountable for the ways in which we work and have a duty to keep ourselves and others safe. This is achieved by maintaining a respectful approach to those we come into contact with and by conducting ourselves in a way that demonstrates integrity and good judgement.

As a volunteer St. Vincent de Paul, you must always:

- Be a good role model with behaviour and an attitude that are in line with our values and ethos.
- Be friendly, courteous and kind at all times.
- Treat everyone with dignity and respect
- Respect other people's privacy and boundaries.
- Communicate with others in an open and respectful way.
- Be responsible and accountable in the way you carry out your role.

We are all committed to providing safe and supportive environments for everyone involved in our organization – a place where people want to work, individuals want to engage, and organizations want to do work with us.

All volunteers must comply with this code.
